

# Irish-Name-Repo 2

## Web Exploitation

### Description:

There is a website running at

<https://jupiter.challenges.picoctf.org/problem/64649/> (link). Someone has bypassed the login before, and now it's

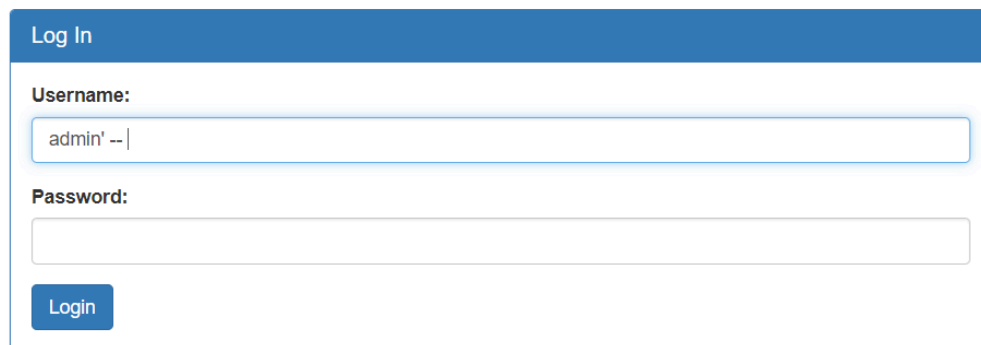

being strengthened. Try to see if you can still login! or

<http://jupiter.challenges.picoctf.org:64649>

### Hints:

- 1) The password is being filtered.

### Solution:

Log In

Username:

Password:

Login

# Logged in!
